Part B for Supdts

SUBJECT

Execution of works in the Trust Board Bungalow

K-3446 8.9.46

To The Chairman
C I T Board

Madras

Sir,

I have been directed to state that tenders should be called for and that the procedure should be adopted as it is Economy

Letter No. A, C-23/46 dated 16-7-46 from the Chairman C.I.T.B.d. Mysore requesting approval to certain proceedings with regard to the execution of works in the Trust Bd.

Subd.

1) Jn. Co No. L.14238-43/Tl 149-45-62 dated 21.6.46 it was ordered that, in case of works, in the Bangalore City or Mysore City I.T.Bd., estimated to cost less than Rs 5,000/- the Chairman of the T.Bd. should call for local quotations and tenders to be called for in other cases

execution of

2) The Chn. T.Bd. Mysore states that most of the works under execution in the T.Bd. pertain to the lay out of extensions, formation of roads etc, where the major portion of work is earth work. It is only the local women who offer themselves for earth work

At present these piece workers are executing the works at the current schedule rates. In case quotations are called for, local contractors will quote a higher percentage over the estimate. There will be delay in execution of work the result would be that the procedure prescribed in the C.P.W.D. code above will not be advantageous to the Govt.

2) For the circumstances the Govt. requests approval to the present procedure of getting the piece work done without calling for quotations. He thinks that tenders will surely be called for works costing above Rs 5,000/

Kind reference is invited to paras 12 & 13 in the note of the Collection at 149-45-62 (which is put up) which contain the remarks of the C E for

GEN & REV SECRET. 745 27 JULY 1946 L S G BRANCH

FROM R RAMACHANDRA RAO BHOMBORE, Esq , B A ,
CHAIRMAN, CITY IMPROVEMENT TRUST BOARD,
MYSORE

To J B MALLARADHYA, Esq , M A ,
SECRETARY TO THE GOVERNMENT OF
HIS HIGHNESS THE MAHARAJA OF MYSORE,
Revenue Department, BANGALORE

SIR,

Re Execution of Works in the Trust Board, Mysore

With reference to Government Order No L 14238-43/M1 149-45-82 dated 21st June 1946 regarding the system to be followed with regard to the execution of works in the Trust Boards of Bangalore and Mysore Cities, I have the honour to state as follows -

2 Most of the works under execution in this office pertain to the lay-out of the three Extensions, viz , Paduvarahalli, Bannimantap and Yadavagiri The other works undertaken relate to (a) Formation of sites in several Mohallas within the City (b) Formation of Roads, (c) Construction of drainages and (d) other works of similar nature In all these cases, the major portion of works to be done is earth-work The masonry works involved in these cases are not appreciable In the Extensions and other works referred to above, it is only the local Woddars that offer themselves to do earthwork and other miscellaneous works Hence it is believed that no advantage is gained by calling for tenders For original works of large magnitude say above Rs 5,000/-, it is worth-while to call for local quotations

3 For earth-work and other small works like road crossings, tunnels and ~~xxxxxxxxx~~ masonry works if quotations are called for, there will ~~be~~ not only be much delay caused to the execution of works, but also the local Contractors' tendency is to quote a higher percentage over the estimates, as a matter of course, inspite of their knowing that the estimates are prepared, basing the rates on the current schedule of rates only At present, these piece workers are executing the works at the current schedule rates Under these circumstances, called for quotations or tender for works of the nature referred to above is likely to affect adversely to the Trust Board, instead of being beneficial When big works are involved, (except earth-work and other small masonry works) quotations will surely be called for, if the works are such as skilful contractors are required for doing the same

I request the favour of kind approval for the above procedure

I have the honour to be,
Sir,
Your most obedient servant

Chairman

To

The Chairman, all India Trust Board, Mysore

Sir,

With reference to your letter No: RIC-VS/46-47 dt 16/18th July 1946 suggesting that the ~~proposed reference of the work undertaking by the Trust~~ undertaking of works by the Trust Board on piece work system may be continued as at present, the calling of tenders for such works will affect the Trust Board adversely I am directed to state that the Chief Engineer for RD & Buildings

WD 0874—GPB—25 000—20 11-45

& Buildings, who was consulted in
the matter, considers that except
in the case of works found
necessary to be taken up before
detailed estimates are prepared
or are commenced in anticipation
of sanction, it is always
possible to call for tenders or
quotations as the case may be. I ought to add that the
point as to the above views & direct
that my [illegible] of 21.6.16 already issued
in this matter may be given
effect to. ~~for the present~~

This procedure would in the case of works which are taken up before sanction is accorded involve some delay & possibly completion of the work remaining in consequence to the first flowing Board

GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE

General and Revenue Secretariat

No L 3416 Dated Bangalore 9 9 1946
Ent 125-46-2

FROM

The Secretary to the Government of His Highness the Maharaja of Mysore

To Revenue Department.

The Chairman,
City Improvement Trust Board,
M y s o r e.

Sir,

With reference to your letter No.A1.C.23/46-47 date 16/18th July 1946 suggesting that the undertaking of works of the Trust Board on piece work system as at present may be continued as the calling of tenders for such works will affect the Trust Board adversly, I am directed to state that the Chief Engineer for Roads and Buildings who was consulted in the matter considers that except in the case of works found necessary to be taken up before detailed estimates are prepared or commenced in anticipation of sanction, it is always possible to call for tenders or quotations as the case may be. This procedure is the correct one and its adoption would set some healthy competition resulting in considerable savings to the Trust Board. I am, therefore, to add that the Government accept the above view and direct that the instructions laid down in the Government Order dated 21st June 1946 already issued in this matter may be given effect to.

I have the honour to be,
Sir,
Your most obedient servant,

Sd J.B Mallaradhya

Secretary to Government,
Revenue Department.
